Name of Neighborhood/Subdivision of block party _____

Address of Block Party (If different than above) _____

Special theme or entertainment? _____

Barricades Requested? Limit 1 barricade per party

Yes **No**

You may block off the street or cul-de-sac for your block party, however traffic must be able to access the alleys and private drive-ways. Barricades will be delivered by the City of Coppell Traffic Control Division the day before or the day of the event. The Traffic Control Division will then pick them back up the day after the event.

The Police Department and Fire Department will be visiting block parties from 6:30 p.m. to 8:30 p.m.

The Police, Fire, City Council, McGruff, and NNO Knight will make every effort to visit your block party. Due to the amount of parties, we are unable to guarantee an exact time when they will show up at your party. Also, the Fire Department is subject to answer calls for service and may not be able to visit your party.

If you have questions or need more information contact Officer Kelly Luther at 972-304-3625 or police@coppelltx.gov
